

KCSIE 2024 Quiz

QUESTION 1

The terms 'must' and 'should' are used throughout the KCSIE guidance. What do they mean? Circle one statement in each column below.

The term 'must' is used when safeguarding evidence needs to be gathered within 5 working days.	The term 'should' is used when the advice set out should be followed unless there is a good reason not to.
The term 'must' is used when the person in question is legally required to do something.	The term 'should' is used when advising staff to create safeguarding information boards in schools.
The term 'must' is used when schools need to have the definition of safeguarding displayed in the foyer.	The term 'should' is used when the guidance provides different options to support children at the Early Help stage.
